RGWF Adventure Events Information

Cruiser Bike Ride (Friday-6:00pm)- This event is FREE and open to all ages. The ride will start at the west end of Centennial Park and ride out to Pueblo Community College and loop back to the park. All riders are required to sign a waiver and wear a helmet. Riders will be able to watch and follow the Community Raft Race during this Ride.

Yoga in the Park (7:30)- This event is FREE and open to all ages. Join River Lotus Yoga at Veterans Park for an hour of pure relaxation on Saturday morning. Please bring your own mat or towel. River Lotus Yoga will also offer a more high energy class at 3:15 on Saturday at the Main Stage. Both classes are FREE.

Whitewater Adventure Race (11:00)-This event will challenge all of our competitors with a short run and multiple obstacles to conquer. All of our competitors will begin Centennial Park and head west on the Arkansas Riverwalk Trail towards PCC Fremont Campus. You will loop back to Centennial Park where the obstacles await and there may be something for you on the trail as well. Once the runners enter Centennial Park they will go through the obstacles and finish with a slip 'n slide into home plate at the baseball field. There is prize money and bragging rights at stake. This is a timed event and runners must be 12+ to participate.

Youth WAR (12:00)-Kids get a chance to complete the obstacle portion of the WAR course. This is a ton of fun for the little ones and begins 30 minutes prior to WAR. Parents must sign a waiver and are allowed to run with their child if needed. Funds generated from this event will go into the FAR Youth Exercise Training Initiative (YETI) program.

Pixie Bike Race (2:00, 4:00, & Finals 7:30)- Be a part of the madness. 16" wheeled kid bikes will ferry riders around the course. Races will be run in heats of 8 at designated times. The first set of heats will begin at 2 pm and the second set at 4 pm. The finals are at 7:30 pm for the top 8 overall times. Open to all ages, gender, size and skill level.

Royal Gorge Casting Competition (10:00-12:00)-Men & Women will be competing for accuracy & distance in this timed event. Each angler will have one (1) minute to prepare (strip out line) once he/she has stepped into the casting box. Anglers must then place the fly back in his/her hand. Judge will clear the clock and the angler will then have two and a half (2 ½) minutes to complete the three casts at all three accuracy targets and the three casts for distance. When time expires, the caster will be considered finished with the course and the score achieved when the clock expires will be considered final. There is no "time-out" for any reason, except for outside interference as determined by the Organizers and/or appointed judge. In the event there is a tie for fifth (5th) place for the men and third (3rd) place for the women, the angler with the longer distance cast moves on to the finals. Max # participants 40. Must be 12+ to participate.
